September 2, 1926.

Mr. Alexander F. Walsh,
c/o Rowe & Walsh,
Saratoga Springs, New York.

Dear Sir:

I regret not having answered your letter of the 21st sooner. I did, however, endeavor to get in touch with you by telephone yesterday but understood that you were out of town until Friday.

In view of the fact that matters connected with the Hall-Mills case require my daily presence in New York City and New Jersey, it is quite impossible for me to go anywhere else, even for a day - hence, I write to inquire if it would be at all possible for you or your client, Mr. Salisbury, to come to New York for an interview. I assume that if this is convenient, he will bring with him the affidavits and papers which I understand he has in his possession bearing on the case.

Very truly yours,
